Meeting Procedures: Our meetings are run with a few norms in mind. We post video of our meetings online so that those not present can view our meetings. We expect everyone to abide by these norms. They promote a civil and respectful discourse.

1. Speakers address the group from the podium using the microphone and begin by stating their name and address. This will ensure that all speakers are recorded on video and heard by attendees.
2. Visitors speak one at a time. Everyone deserves to be heard without interruption.
3. Meetings run according to the agenda and the times listed there, with any modifications determined by the Chair.
4. After a presenter completes his or her statement, Commissioners ask questions, and then residents have an opportunity to ask their questions.
5. Speakers must limit any statements or questions to the time allotted. The Commission also accepts emailed and written comments or questions.
6. Every resident will have an opportunity to be heard once on an issue before any resident is heard twice.
7. We understand that sometimes issues may provoke strong emotions and that these expectations may be forgotten. Part of the Chair's job is to remind you of these norms during the meeting.
