Hi Dan,

Per our discussion last week, I have prepared the attached memo and PDF markup depicting the proposed tree preservation measures for the two Heritage Trees adjacent to the Nebraska Avenue NW streetscape work. As you suggested, I would like to review the plan with you on a call early next week. Are you available Monday or Tuesday? I have nothing that can't be moved around, so please propose a time that will work for you.

Have a good weekend!

— Gene
