Dear Mr. Speck,

The Board of Ethics and Government Accountability (BEGA) conducted a confidential preliminary investigation into allegations that you acted improperly while discussing plans and concerns in review of the Maret School's Board of Zoning Adjustment Application No. 20643, in violation of the D.C. Government Code of Conduct.

We conducted this investigation pursuant to the Board of Ethics and Government Accountability Establishment and Comprehensive Ethics Reform Amendment Act of 2011 ("Ethics Act"), effective April 27, 2012 (D.C. Law 19-124; D.C. Official Code § 1-1161.01, *et seq.*) and concluded that there is insufficient evidence to conclude that you violated the Code of Conduct. Accordingly, we have decided to dismiss this matter. This investigation is now considered closed. Therefore, you will not be subject to any sanctions by this office regarding this matter.

Please note that this matter was never made public by BEGA, and therefore remains in a confidential status under the Ethics Act and the rules of this Office. If you have any questions regarding this matter, please contact this office.

Sincerely,

Ashley D. Cooks
