19:42:41 From Elizabeth McPike to Everyone:

Question about the city's survey: What weight does it carry ? To cut to the chase: Suppose a majority of survey respondents are against having "affordable housing" at the Civic Core site? Consider that many residents were not aware until recently of the details of the Small Area Plan, including of course the proposed plans for the Civic Core Site; in part, this is due to the fact that the Plan was presented and much of the discussion took place during the mid-Covid period.

I would love to comment on the CAC topic

20:06:52 From Lee Mayer to Everyone:

20:09:58 From Jane Sherman to Everyone:

I agree with Jessica Lee!

20:10:34 From Lee Mayer to Everyone:

It is not against bike lanes. It's only against the bike lanes on Conn Ave

20:11:10 From Charles Cadwell to Everyone:

In my experience CAC meetings are open to the public

20:14:01 From Jessica M Lee to Everyone:

The CAC meetings are public but poorly publicized. For example when is the next one?

20:14:29 From Elizabeth McPike to Everyone:

Those supporting Save Connecticut Avenue IS a community! IS a "constituency"!

20:15:01 From Jessica M Lee to Everyone:

We certainly represent many more people than Ward3 Bikes that got three seats on the CAC

20:16:10 From Elizabeth McPike to Everyone:

Amazing that Ward3 Bikes gets three seats and Save Connecticut Ave gets zero!

21:03:50 From Jane Sherman to Everyone:

As a constituent, I do not agree with Commissioner Gosselin that citizen voice is a non-issue. I'm very grateful I don't live in his SMD.

21:07:04 From Jane Sherman to Everyone:

My understanding is that the ANC governing body has stated that 'by representing the voice of their neighborhoods, each ANC Commissioner best serves the interest of the city as a whole.' Why else have an ANC?

21:08:10 From Elizabeth McPike to Everyone:

This is not unimportant; it is basic.

21:15:02 From Elizabeth McPike to Everyone:

The attempt to shut Bruce Sherman down by talking about the racial history of the city was offensive.

21:18:57 From Zach Ferguson – ANC 3/4G-07 to Lisa Gore ANC 3/4G-01(Direct Message):

I withdraw my hand – no comment from me

21:58:30 From Elizabeth McPike to Everyone:

There should be regulation that structure can occupy only a certain proportion of the lot.
