The Department of Public Works (DPW) is launching its Curbside Composting Pilot Program this summer. The program will provide free weekly curbside food waste collection to 12,000 single-family DPW-services households in the District for one year.

Households that wish to participate in this pilot program can sign up now, as sign-up started last Saturday, April 22, 2023, at 9am.

For registration, please visit <https://zerowaste.dc.gov/curbsidecomposting>. If interested, please sign up quickly, as DPW will only be selecting the first 1,500 eligible single-family households that sign up within each of the city's eight wards.

19:29:17 From Amy Sinnenberg to Everyone:

The Office of the Attorney General (OAG) has a Consumer Mediation Program. It is a free service that aims to help consumers resolve issues with businesses or landlords without going to court. When a consumer files a complaint with our program, OAG reaches out to the business or landlord on the consumer's behalf to see if they can help obtain refunds or other redress. The program is voluntary for all parties but is often successful in helping consumers obtain redress. In 2022, for instance, through this program, the OAG was able to

return more than \$582,000 to consumers. They were also able to help consumers obtain non-monetary resolutions as well. If you'd like to check out their intake form, you can do so here: <https://oag.dc.gov/consumer-protection/submit-consumer-complaint>.

+1 @ Matthew Barclay

The Private Security Camera Rebate Program creates a rebate for residents, businesses, nonprofits, and religious institutions to purchase and install security camera systems on their property and register them with the Metropolitan Police Department. The program provides a rebate of up to \$200 per camera, with a maximum rebate of up to \$500 per residential address (e.g., home offices, condo buildings, and apartments) and \$750 for all other eligible addresses. The rebate is exclusively for the cost of the camera(s) including any applicable tax.

The Private Security Camera Voucher Program provides a private security camera system to eligible residents free of charge. District

residents—either owners or tenants—who receive public assistance may be eligible to have a camera system installed at their home.

Completely uncalled for personal attack.

21:29:23 From Michele Wolin to Everyone:

In the survey, please allow people to express their honest opinions. Don't make people negotiate against themselves; people haven't been heard for two years on this. Please don't word the survey so you are getting results that you want. Peter, your attack on Bruce just now was uncalled for.

21:29:51 From Ron EICHNER to Lisa Gore, ANC 3/4G-01(Direct Message):

That was mean of Peter.

21:30:07 From Claudia Russell to Everyone:

Peter, your commentary about a fellow commissioner is uncalled for and unprofessional.

Thank you Mr. Zeldin.

21:30:42 From Elizabeth McPike to Everyone:

Agree with Commissioner Sherman! Accusations against him are really out of line.

21:31:05 From Ann Sutherland to Everyone:

I am offended by Commissioner Gosselin's highly inappropriate characterization of Commissioner Sherman. Commissioner Sherman has engaged the citizens of ANC 3/4G 02 in a most productive way. I thank Commissioner Sherman for his hard work.

21:31:15 From Michele Wolin to Everyone:

Please recognize that Bruce won by 200 votes specifically on the issue of the community being tired of not having a voice in important matters that the ANC has acted on.

21:33:16 From Claudia Russell to Everyone:

Mr. Zeldin, Thank you for speaking out in support of a democratically-elected commissioner.

21:33:45 From Elizabeth McPike to Everyone:

By not soliciting the community's views for two years now, it is the ANC – the previous one and the current one – that has polarized the community.

21:34:36 From Elizabeth McPike to Everyone:

And No, a table at a farmer's market doesn't really cut it.

21:35:01 From Carol Grunewald to Everyone:

Please do the survey before irrevocable decisions/actions are taken vis a vis the Civic Heart (Comm. Center/Library).

21:35:04 From Ronald Kahn to Everyone:

21:38:11 From Elizabeth McPike to Everyone:

Look, for example, at the "listening" and "engagement" events paraded in the Small Area Plan. Look carefully at the photos. There are roughly 15 to 25 people present.

21:39:25 From Claudia Russell to Everyone:

Lisa,

21:40:04 From Claudia Russell to Everyone:

Are you not offended by Peter's remarks? This is way out of line.

21:40:45 From Lisa Gore, ANC 3/4G-01 to Claudia Russell(Direct Message):

I just apologized for him Claudia. I'm offended by a lot of things

21:41:05 From Elizabeth McPike to Everyone:

Yes, Commissioner Gore, of course you allowed it. In the past, you have CUT OTHER PEOPLE OFF if they personally, by name, criticized others.

21:42:23 From Michele Wolin to Everyone:

But outside people won't understand the issues and the various permutations.

21:46:13 From Carol Grunewald to Everyone:

I agree with Michele. Professional surveys can be so arid as to be meaningless. Perhaps a local 3-4-person group of resident experts representing all sides of the issues can put together a survey making sure that all sides are represented in the survey questions.

21:50:43 From Carol Grunewald to Everyone:

DMPED had the surplussing meeting during which speakers opposed surplussing at the Covid Heart site 3 to 4. They've gotten some of our neighborhood input and have apparently chosen to ignore it.
