voices are not clear.

17:12:30 From Rasheen Carbin to Everyone:  
Can people identify themselves before they speak?

17:18:46 From Ronald Kahn to Everyone:  
Before assuming anything – please be informed by facts.  
Covenants below Livingston? first get facts. Point is ZDD has no idea  
and then assumes and goes onto so type of conclusion.

17:18:51 From Mary Rowse to Everyone:  
Audio is not good. Can't understand people. Epecially when  
people talk over each other.

17:19:31 From Mary Rowse to Everyone:  
When speaking, give your name and then your comments. No idea  
who is speaking all the time.

17:23:40 From Ronald Kahn to Everyone:  
Thank you randy for getting ZDD back to reality

17:26:07 From Ronald Kahn to Everyone:  
Why did OP not understand the plan that they wrote?

17:30:22 From Mary Rowse to Everyone:  
When you speak at "the machine", you can be understood.

17:30:24 From Steve Connors to Everyone:  
That is much better volume wise....

17:31:02 From Steve Connors to Everyone:  
Where is the memo??

17:31:44 From Ronald Kahn to Everyone:  
IS this motion needed today? This is not a complete  
analysis – ask first the AG for guidance – do not continue with  
anything that bears a legal action.

17:32:14 From Mary Rowse to Everyone:  
Please share Jim Feldman's memo.

17:32:45 From Steve Connors to Everyone:  
What does the memo say--please post text here...

17:33:11 From Mary Rowse to Everyone:  
Who's speaking?

17:33:34 From Steve Connors to Everyone:  
Please shift camera so we can see who is speaking

17:33:59 From Steve Connors to Everyone:  
What is the rush?

17:34:54 From Mary Rowse to Everyone:  
Please identify yourself before speaking!!!

17:35:37 From Steve Connors to Everyone:  
It is impossible to hear you all...

17:36:37 From Mary Rowse to Everyone:  
Can't understand Andrea.

17:36:40 From Steve Connors to Everyone:

17:37:15 From Mary Rowse to Everyone:  
The Chevy Chase apartments opened in 1910 at Chevy Chase  
Circle.

17:37:42 From Steve Connors to Everyone:

17:38:02 From Steve Connors to Everyone:

17:38:13 From Mary Rowse to Everyone:  
Thank you microphone operator!

17:42:04 From Steve Connors to Everyone:  
Way to go Mr. Gordon!!

17:43:14 From Steve Connors to Everyone:  
Please speak up...

17:49:00 From Ronald Kahn to Everyone:  
When is ZDD going to be responsive to the community? When are you going to discuss the status of the community survey? That survey should inform – should have been the 1st topic. Until then, ZDD is acting unilaterally and your actions and credibility will be negatively received by the community.

17:52:12 From Ronald Kahn to Everyone:  
you can't hold this up and at the same time only encourage

17:55:20 From Steve Connors to Everyone:  
Yes, where is the survey? Can you put the microphone in the center of the table? Mr. G. barely audible...

17:55:54 From Steve Connors to Everyone:  
Much better!

18:00:28 From Mary Rowse to Everyone:  
How about, "We OBJECT" to this process??

18:03:11 From Steve Connors to Everyone:  
Agree with the gentlemen speaking that we go on record as opposing this process. I don't care if the city says so what.....go on record...

18:05:42 From Ronald Kahn to Everyone:  
track record of listening / acting on resolutions – very poor unless the resolution is what the city wants.

18:10:51 From Ronald Kahn to Everyone:  
Also mention – correct the long standing misinforming of the council / mayor about the lack of community engagement (can detail) – also put in the height – items that are highly objectionable.

18:21:06 From Elizabeth McPike to Everyone:  
No, not just "community meetings" and some vague "engagement." You have had a year to come up with a proper survey on, as Peter says, the essential questions, and that will reach the MAXIMUM number of residents. You have not done this because you know the results will be counter to your own ideological stands.

18:24:25 From Mary Rowse to Everyone:  
Who is speaking now?

18:26:23 From Elizabeth McPike to Everyone:  
Make him the head of the ANC !!!\

18:30:19 From Elizabeth McPike to Everyone:  
Don't let Eichner water it down!!

18:31:01 From Ronald Kahn to Everyone:  
ZDD question – at this point, to maximize the impact, should our community go to down to city hall / with signage – to put your

resolution words (at least some of) into visible action – in their face.
