Meter Numbers (if applicable):

Location Description: Stabilized construction entrance for tree relocation and other activities at 5901 Utah Ave NW.

Conditions: "Emergency No Parking" and "Reserved Parking" signs must be posted no less than 72 hours in residential zones and 24 hours in business zones prior to occupancy. Signs must be immediately removed upon completion of work.

- *All work and occupancy must comply with all District regulations and statutes. Violation may result in revocation of this permit.
- *If street, alley or sidewalk closures are involved, approved Traffic Control Plan (TCP) is a part of this permit and must be on site at all times and visible from public space.
- *Must not block any Metro Transit bus stops or Metro entrances without the permission of WMATA and DODT.
- *Must not block Fire Hydrants or any important utility structures (e.g. manholes, vault grates, ventilation, traffic signal box, etc...)
- *Must not occupy Loading Zone and driveways.
- *No crossing of sidewalk with trucks unless permission is granted and noted on TCP by DODT.
- *Only registered commercial vehicles directly needed for construction are permitted to be parked in the area defined by this Permit when applicable.
- *Permit holder is responsible for all damage to public space as a result of work done under this permit.
- *Permit holder is responsible for obtaining any additional permits required by statute or regulation including DOH, WASA, FEMS, MPOC, DODT and DCRA permits.
- *Prior to street, alley and sidewalk closures Permittee must immediately notify FEMS, MPOC and MPTD.
- *Permittee requires all prior public space permits to be on premise.
- *This permit is revocable at any time at the discretion of FEMS, MPOC and/or DODT.
- *This permit must be on site at all times and visible from public space.
- *Person(s) who posts an unauthorized sign or removes an authorized sign is subject to a fine of \$300 per day.
- *All street trees located within the work zone shall have a 6' high chain link fence placed around the tree space to the extent of the box (min 4' x 8') or in a continuous planting space to the extent of the discipline. The fence shall be installed prior to work starting and removed after work has been completed.
- *Trash containers and Moving Containers are to be placed in curb lane at the front of this property unless specified elsewhere on the Permit.
- *No work or construction in public space is authorized by this permit.
- *No work is permitted before 7am or after 7pm Mon, thru Sat, or all day Sun. Work before 7am or after 7pm Mon, thru Sat, or all day Sun, requires permit from DCRA.
- *Permit holder is responsible for contacting DODT at 202-671-2030 to request the reinstallation of parking meters.
- *This permit does not authorize the removal of parking meters or parking meter heads.
- *Contractor must call Meter Branch at 672-2030 for meter tagging or to remove parking meters or parking meter heads.
- *This permit is not valid until the later of the Effective Date and the Issuance Date.

Permit Effective: 01/15/2023

Conditions/Restrictions:

Before any land disturbing activities may begin, please contact DOBE to request a pre-construction meeting by emailing the DOB permit and your full contact information to: E.B.Schulz@dc.gov.

This Permit Expires if no Construction is Started Within 1 Year or if the Inspection is Over 1 Year.

As a condition precedent to the issuance of this permit, the owner agrees to conform with all conditions set forth herein, and to perform the work authorized hereby in accordance with the approved application and plans on file with the District Government and in accordance with the applicable laws and regulations of the District of Columbia. The District of Columbia has the right to enter upon the property and to inspect all work authorized by this permit and to require any change in construction which may be necessary to ensure compliance with the permit and with all the applicable regulations of the District of Columbia. Work authorized under this Permit must start within ninety (90) days of the date appearing on this permit or the permit is automatically void. If work is started, any application for partial refund is subject to full compliance with the Land-Use Permit and Enforcement Act, its associated regulations, and the EPA Land Restoration, Repair and Planning Rule. To determine how to comply, submit a Land-Activity Notification form at
