[1] Security Fund checks are not cashed until the Security Fund agreement is approved by ODCA.

[2] All ANCs are funded by the District of Columbia government through quarterly financial allotments. Thus, ANC funds are District of Columbia government funds and all ANCs are required to identify themselves to financial institutions as entities of the District of Columbia government and include the District's Tax Identification Number (TIN) 53-6001131 on all ANC bank accounts. The District's TIN does not replace the Federal Tax Identification Number, or EIN, used by an ANC to report taxes withheld from an ANC employee's wages. However, the District's TIN is required by the Government of the District of Columbia to identify and establish that all monies in ANC checking and savings accounts are the property of the District of Columbia Government, and to provide certification to the bank that all information related to the bank account(s) should be reported to the Internal Revenue Service (IRS) under the above-mentioned TIN. Further, the TIN authorizes the District of Columbia Office of the Chief Financial Officer's Office of Finance and Treasury to obtain ANC account information, request any holds be placed on the account, and request the return of account balances to the District Government, if necessary.
